ORDER

%

22.02.2018

The matter has been listed before this Court pursuant to the orders of Hon'ble the Acting Chief Justice since the roster bench is not sitting today.

During the hearing it was pointed out by the counsel representing the respondent Corporation that pursuant to the distress warrant, the legality of which is challenged by the petition at hand, the money has already been realised from the bank concerned. This is confirmed by the counsel representing the petitioner.

If that be so, the petition and the applications filed therewith are rendered infructuous.

Dismissed accordingly.
