The status report of the Court of the learned ADJ-03, East in Civil Suit No.1787/16 has been received indicating that the applications in terms of order dated 07.08.2018 of this Court have already been disposed of.

Apparently, the prayer made through the present petition relates to an expeditious disposal of the proceedings in Civil Suit bearing No.1787/16 stated to be pending for more than 25 years with the original Suit bearing no.2652/92.

The learned Trial Court would make an endeavour to complete the proceedings in the Civil Suit No.1787/16 with original Suit bearing no.2652/92 in the year 2019.

The petition calls for no further action.

Copy of this order be sent to the learned Trial Court.
