1. Petitioners in Crl.M.C.1667/2018 seek quashing of FIR No. 14/2015 under Sections 323/341/325/34 IPC PS Ranjit Nagar. Petitioners in Crl.M.C.1691/2018 seek quashing of FIR 13/2015 under Sections 308/34 IPC PS Ranjit Nagar. Subject FIRs are cross FIRs.
2. The parties are present in person. Subject incident occurred on account of fixing of an electricity pole by the Electricity Department which led to an altercation between the parties; consequent complaints were lodged which led to the registration of cross FIRs. With the intervention of senior members of the locality and respectable people, Deed of Compromise dated 19.02.2016 has been entered into.
3. Respective parties are present in Court, represented by counsel and identified by the Investigating Officer. They confirm that they have settled their disputes with each other to restore peace and harmony in the locality. They have further undertaken to live peacefully and not to initiate any legal proceedings against each other.
4. In view of the fact that the disputes between the parties have been settled, continuation of criminal proceedings will be an exercise in futility and justice in the case demands that the dispute between the parties is put to an end and peace is restored; securing the ends of justice being the ultimate guiding factor. It would also be expedient to
