The petitioner is aggrieved with the observations made by this Court in paragraph 14 of its order dated 15th May, 2018. It is submitted that these observations are being treated as final by the respondents.

I may clarify that paragraph 14 contains only *prima facie* opinion of this Court and can in no manner be treated as binding or as the final finding on merits of the claim of either party.

The review petitions are disposed of with the above clarification.
