ORDER
% **07.05.2018**

It has been submitted on behalf of the applicant that the applicant has been falsely implicated in the instant case with the matter being related to a car parking incident and in relation to the said incident, a cross FIR No. 79/2018, PS Sonia Vihar has also been registered and that the applicant has also been injured. Photographs of the applicant as the injured are also placed on record in support of the averments made in the application. On behalf of the applicant it has been contended that the applicant is an Army personnel and is willing to join the investigation of the case.

On behalf of the State the application is vehemently opposed submitting *inter alia* to the effect that as per the MLC, the injuries were caused by the applicant with a Fawda on the head and also on the chest of the injured and are apparently serious in nature and the result of the MLC of the injured is yet awaited. Photographs have also

been produced by the State in support of the submissions made on behalf of the State.

On a consideration of the totality of the circumstances and on a perusal of the averments made in the FIR with the injuries having been allegedly caused with a Fawda i.e. an axe by the applicant on the vital parts of the body of the injured specially on the head, there is no ground for anticipatory bail.

The application is disposed of.
