Exemption allowed subject to all just exceptions.

Arb. P.492/2018

It has been stated in the petition that the notice invoking arbitration could not be served on the respondent as the envelope had been returned back with the remarks 'receiver shifted'.

In my view, as there is no service of notice invoking arbitration on the respondent, the petition is pre-mature and is dismissed as such, with liberty to the petitioner to refile the same after due service of notice on the respondent in accordance with law.
