ORDER

06.03.2018

Vide order dated 19th February, 2018, upon noticing the submission of the petitioner who had appeared in person that he does not wish to press the writ petition any further as the petitioner's children have already been admitted in Schools run by the South Delhi Municipal Corporation, but was only praying for waiver of arrears of fees payable to the School, the learned counsel for the respondent no.3/School was requested to take instructions as to whether the respondent no.3 was willing to give up the claim for recovery of arrears which is payable by the petitioner.

Today, learned counsel for the respondent no.3 very fairly submits that he has instructions to state that keeping in view the financial condition of the petitioner as projected before this Court, the

respondent no.3/School is willing to give up its claim for recovery of arrears from the petitioner provided the petitioner withdraws all the allegations against the School.

The matter was passed over to enable the parties to amicably arrive at a settlement. Upon pass over, the learned counsel for the parties submit the petitioner has addressed a letter dated 6th March, 2018 to respondent no.3, stating therein that he is voluntarily withdrawing all the allegations against the School Management and is also not pressing for the continuance of the petitioner's children in respondent no.3/School. The petitioner who is represented by counsel further undertakes that he will not make any further allegations of any kind against the School with regard to the admission or continuance of his children in respondent no.3/School. A copy of the letter dated 6th March, 2018, has been taken on record. In view of the aforesaid development, nothing further survives for adjudication in the present petition. Both parties will remain bound by their statements.

The writ petition and application are disposed of in the aforesaid terms.
