CM APPL. 46289/2018 (For restoration)

The liberty to revive the petition was granted only if the Respondent failed to pass a speaking order on the Petitioners' representation dated 9th February 2014. With a speaking order now having been passed, the question of W.P.(C) 8750/2018 being revived does not arise. It is open to the Petitioners, however, to seek appropriate remedy in accordance with law. The application is accordingly dismissed.
