CORAM:

HON'BLE MR. JUSTICE R.K.GAUBA

ORDER

04.10.2018

%

A copy of the proceedings which have been filed pursuant to the directions of the last order clearly demonstrate that the defence counsel have been dragging their feet not arguing on charge even though the matter has been adjourned several times by the trial court for such purpose. The delay caused is thus, for reasons attributable to the defence itself, of which no advantage can be allowed to be claimed.

The application is dismissed.
