Petitioners claim to be squatting at the Mehrauli area. The main grievance of the learned counsel for the petitioners is that the petitioners are being singled out whereas the area is full of street vendors. Learned counsels appearing for the MCD, submit that the area is primarily a 'no hawking no vending zone', it is a highly congested area and the petitioners cannot be allowed to hawk and vend as it causes obstruction to free movement of traffic and pedestrians.

Counsel for the MCD disputes the submission made by the counsel for the petitioners that the petitioners are being singled out. Mr.Gupta submits that uniform action for removal of encroachers and unauthorized street vendors is

taken at regular intervals. At this stage, counsel for the petitioners submits that the petitioners shall approach the TVC as and when it is constituted and merely because the petitioners may not be found vending at the site should not be a ground to reject their case. Counsel for the respondents submits that without admitting any of the averments made in the writ petition, should the petitioners approach the TVC as and when it is functional, the TVC would consider the case of the petitioners in accordance with law and merely because the petitioners may not be found vending at the time of survey would not be a ground alone to reject their case.

Binding the parties to the stand taken in Court today, as agreed, the writ petitions are disposed of.

We make it clear that we have not expressed any opinion on the merit of the matter.
