Issue notice. Mr. Satyakam, Advocate accepts notice.

The petitioner is aggrieved by the omission of the respondent DVAT in considering its case for VAT assessment for first quarter 2018 and urges that the earlier issue relating to Central Sales Tax (CST) assessment was concluded. It is urged that the VAT authorities insisted that documents relating to the local tax, now need scrutinized.

This Court is of the opinion that since the CST assessments were concluded on 08.05.2018, the stand of DVAT authorities *vis-à-vis* the local tax can *per se* be considered unreasonable. In these circumstances, DVAT authorities are directed to consider and conclude the pending assessments, within two months from today.

Petition stands disposed of. Pending application also stands disposed of.
