Learned counsel for the petitioner submits that eye-witness has failed to identify the petitioner in Court. Petitioner is in custody since May, 2017. Petitioner may be admitted to bail.

Learned APP submits that the weapon of offence, i.e. pistol was got recovered by the petitioner. One empty shell was recovered from the spot. A bullet was also extracted from the dead body. Empty shell as well as the bullet extracted from the dead body were sent to FSL. As per the FSL report, empty shell was fired from the pistol got recovered by the petitioner.

Learned counsel for the petitioner submits that a perusal of FSL report

makes it clear that bullet extracted from the dead body did not match with the pistol, allegedly got recovered by the petitioner.

Keeping in mind the totality of the facts and circumstances of this case, petitioner is admitted to bail, subject to his furnishing a personal bond in the sum of ₹25,000/- (Rupees Twenty Five Thousand Only) with one surety in the like amount to the satisfaction of the trial court.

Bail application is disposed of in the above terms. Dasti.
