% 27.02.2018

Learned counsel for the respondents on instructions states that the assessment order would be passed on or before 31.03.2018. He also states that the Commissioner has passed an order for the extension of time under Section 34 of the Delhi Value Added Tax 2004.

Learned counsel for the petitioner submits that they have objection to the approval and grant of extension of time by the Commissioner.

He, however, states that the petitioner without prejudice to the rights and contentions on the extension of time, would participate and contest the proceedings on merits. In case the petitioner is aggrieved by the order passed, they would file an appeal in accordance with law. They would, if required and necessary, challenge the order passed by the Commissioner under Section 34 of the aforesaid Act.

In view of the aforesaid statements, the writ petition is disposed of with liberty to the parties to approach the court in case of any difficulty in the implementation of the statement. We have not expressed any opinion on merits of the case. No costs.
