CM. No. 42274/2018

This application is filed by the applicant / petitioner, seeking therein amendment in para 2 of our order dated 19th September, 2018.

The averments erroneously recorded in Para 2 of the order passed on 19th September, 2018 indicating the fact about the applicants / petitioner having approached the Tribunal, is an incorrect fact. In fact, petitioner had not approached the Tribunal.

It was the grievance of the petitioner before us that he, being not

senior citizen, is not entitled to invoke the jurisdiction of the Tribunal under Section 22 / 23 of the Maintenance and Welfare of Parents and Senior Citizens Act, 2009.

We, therefore, clarify that we have already held that the petitioner has a right to invoke the jurisdiction of the Tribunal, he had approached this court in anticipation that his application would not be entertained by the Tribunal, therefore, filed the instant petition, without going through the process of filing an application before the Tribunal.

In view of the above, para 2 of our order dated 19th September, 2018 be treated amended to the extent as clarified hereinabove

The application stands disposed of.
