ORDER
% **15.02.2018**

The present petitions have been filed by the petitioner-institute seeking quashing of the order dated 29.05.2017 passed by respondent No.1 and order dated 21.12.2016 passed by respondent No.2.

Vide the impugned order, the respondent No.2 has rejected the

petitioner's request seeking an inspection of its Institute by the visiting team. Learned counsel for the petitioner submits that the rejection of petitioner's request for inspection was arbitrarily rejected; the petitioner's request was considered fairly and there was no mala fide or deliberate attempt on the part of the respondents in not getting the petitioner-institute inspected by the visiting team.

At this stage, learned counsel submits that keeping in view the fact that the cut off date for grant of recognition is 03.03.2018, the petitioner would be satisfied if the respondents are directed to get the petitioner-institute inspected by the visiting team within the next 10 days.

Having heard learned counsel for the parties, I am of the view that since the petitioner's application has already remained pending for a long time, subject to petitioner's depositing the requisite re-inspection fee, the respondents should get the petitioner-institute inspected by the visiting team as expeditiously as possible and preferably within a period of 10 days. Needless to say that the present order has been passed without prejudice to contentions raised by both the parties.

The petitions are disposed of.
