**CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA**  
**ORAL ORDER**

4      12-03-2019                      This is an application for grant of anticipatory bail in  
  
connection with Kanti P.S. Case No. 560 of 2016, disclosing  
  
offences under Sections 302, 201 of the Indian Penal Code.

Allegation as per F.I.R. is that a dead-body of a  
woman aged about 24 years was found and it appears that she  
was killed by some unknown persons. Petitioner is not named in  
the F.I.R., later on his name transpired on the basis of statement  
of Supriya Praveen recorded under Section 164 Cr.P.C., in  
which she disclosed that she along with the petitioner and the  
deceased was going by a vehicle and on the way, the petitioner  
has killed the deceased Saira Siddiqi.

Submission of learned counsel for the petitioner is  
that the petitioner has falsely been implicated in this case and

the statement under Section 164 Cr.P.C. has been recorded after three months of the occurrence that creates doubt.

Heard learned A.P.P. also.

Having heard both sides, in view of the facts and circumstances of the case as stated above and the statement of one of the witness, I am not inclined to grant anticipatory bail to the petitioner, rather he should surrender and make prayer for regular bail, which will be considered on its own merit, without being prejudice by order of this Court.

Accordingly, this application is dismissed.
