CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

2 13-02-2019 This application, for grant of anticipatory bail, arises

out of Pupri P.S. Case No. 84 of 2018, disclosing offences under

Sections 467, 468, 471, 420, 406, 506/34 of the Indian Penal

Code.

Allegation against the petitioner and others is that

they took Rs. 3,00,000/- from the informant on the pretext of

providing job to sons of informant and after a week, they also

took Rs. 20,000/- from the informant and when they did not

send the sons of the informant to foreign for job, she demanded

her money but they refused to pay the same.

Submission of learned counsel for the petitioner is

that the whole case is false and concocted and there is delay in

lodging the F.I.R. Moreover, as per the allegation, no money

was given to the petitioner rather the same was paid to co-

accused Isteyak Ahmad Khan.

Learned counsel for the State opposed the prayer for bail and submitted that the police after investigation has found the allegation against the petitioner and others, true.

Having heard both sides, considering the facts and circumstances as well as the nature of accusation, I am not inclined to grant the privilege of anticipatory bail to the petitioner rather he should surrender and pray for regular bail and if any such application is filed, the court below will dispose of the same on the merit of the case, without being prejudiced by the order of this Court.

This application is, accordingly, dismissed
