CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN SINGH

ORAL ORDER

2 13-02-2019 Heard learned counsel for the parties.

It is the petitioner's grievance that the compensation amount paid to him against acquisition of his land is much less than what he is entitled to. He appears to have received a sum of Rs.10,28,216/- as house compensation and Rs. 1,31,110/- as land compensation.

It is his case that other persons similarly situated having adjacent lands, have been paid more compensation amount than the petitioner.

Learned counsel, appearing on behalf of the

petitioner, has attempted to persuade this Court that the petitioner was entitled to receive compensation on commercial rate, considering the nature of land, which has not been paid.

On perusal of the writ application, I find that the petitioner has never raised any such grievance before any authority.

In my view, this application has no merit, which is accordingly dismissed.
