CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA
ORAL ORDER

4 16-05-2019 Petitioner seeks bail in anticipation of his arrest in

connection with Pothia P.S. Case No. 151 of 2018 registered for

the offences punishable under Sections 304B, 201 and 34 of the

Indian Penal Code.

Allegation against the petitioner, who happens to be
husband of the deceased, is of causing death of the deceased
with respect to demand of of Rs.2 lac and FIR further disclosed
that Rs.50,000/- was given to him but as the same was not
sufficient to him she was assaulted by the petitioner and others
and killed her and thrown her dead body in the bank of river.

Submission of learned counsel for the petitioner is
that there is general and omnibus allegation against him and due
to mismatch of status of both the families, she left her

matrimonial house and committed suicide.

Heard learned APP and learned counsel for the informant. They have opposed the prayer for anticipatory bail on the ground that the witnesses in several paragraphs of the case diary have stated that there was demand of Rs.2 lac by the accused persons and she was assaulted by them.

In view of above facts and circumstances, I am not inclined to grant the privilege of anticipatory bail to the petitioner. He may move for regular bail, which shall be considered on its own merit.

With the above observation, this application is dismissed.

(Vinod Kumar Sinha, J)
