CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR UPADHYAY
ORAL JUDGMENT

Date : 16-09-2019

Heard learned counsel for the petitioners and the respondents.

2. Considering the fact that all the writ petitions involve the same question of fact and law, with the consent of the parties, they are heard together and are being disposed of by this common order.

3. The present batch of writ petitions involve issue of appointment of 129 non-teaching employees on different posts and their regularization after scrutiny by 3-men Committee Constituted by the University. After regularization, the State step in and started scrutiny with regard to legality and validity of the initial appointment of the petitioners. Finally the State Constituted a 3-men Committee to examine the legality and validity of appointment of 129 non-teaching staff working in different constituent units of Veer Kunwar Singh University.

4. Learned counsel appearing on behalf of the petitioners submits that all the petitioners were appointed in the constituent colleges initially under Magadh University but later on after

bifurcation, the colleges in question became the constituent units of Veer Kunwar Singh University. The contention of the petitioners in the present batch of writ petitions is that they have been appointed in different colleges on account of increased work load and within the parameters of staffing pattern.

5. Counsel for the petitioners has drawn the attention of this Court to the background in which the agreement was reached in between the State Government and the Federation of the non-teaching employees and the policy decision of the State Government with regard to admission of deemed sanctioned post in the category of staffing pattern. They submitted that after 1980 on account of increase of the intake capacity in the college and introduction of new courses necessitated additional staff whereas for decades no appointment was made on any post of non-teaching employees in any of the Universities in Bihar, the appointments were made in exigency of situation. The controversy as to validity of appointment on the deemed sanctioned post/staffing pattern vis-a-vis Control of the State in terms of Section 35 of the Bihar State Universities Act (hereinafter referred to as 'the Act') on appointment in Universities led to the constitution of a full Bench. The Full Bench of the Patna High Court has occasion to consider the issue of staffing pattern in the case of ***Braj Kishore Singh v. State of Bihar*** 1997 (1) BLJR 652 : 1997 (1) P.L.J.R. 509. The

Full Bench speaking through of Hon'ble S.N.Jha,J.(as his lordships then was) has noted the requirement of non-teaching staff in the matter of imparting education in the colleges and the Full Bench on consideration of the staffing pattern in terms of the agreement of the Federation of non-teaching employees and the State Government and the judgment of the Apex Court in the case of Direct Recruits Engineers case: AIR 1990 SC 1906, red down the rigour of Section 35 of the Act. Following the judgment of the Full Bench the State Government has also formulated its own scheme by issuing letter no. 1820 dated 17th November, 1998 and the Hon'ble High Court on numerous occasions issued direction for consideration of the non-teaching employees for regularization in the light of the judgment of the Full Bench in the case of Braj Kishore Singh (Supra) and the process of regularization has been sanctioned by the State Government as discussed hereinabove in the letter No. 1820 dated 17.11.1998 which is still holding the field. In most of the cases in the batch of writ petitions petitioners have approached this Court and considering their claim as to working within the staffing pattern, different courts have passed orders for consideration of their cases for regularization in terms of the judgment of the Full Bench in the case of ***Braj Kishore Singh(Supra)***. The University exercising jurisdiction vested under the Universities Act examined the case of regularization of these 129 non-

teaching employees decided to regularize the services of 129 non-teaching employees and after their regularization they have been paid their current salary. In the process of scrutiny the University has rejected large number of cases when the three-men Committee of the University came to the conclusion that their claim is not supported by the materials. The report of the 3-men Committee of the University was deliberated upon and thereafter the University decided to regularize their services. After the regularization when the salary of the petitioners were stopped, they filed the batch of writ petitions in the High Court. This Court has granted indulgence to the respondents by issuing different orders on different occasions. Reference in this connection may be made to the order of this Court dated 28.2.2018 which is quoted below:-

“Heard Mr. Chittaranjan Sinha, senior counsel and other counsels including Mr. Sanjeev Kumar Mishra, Md. Waliur Rahman and others for the petitioners, Mr. P.K.Verma, senior counsel for the Veer Kunwar Singh University and counsel appearing on behalf of the State.

Mr. Chittaranjan Sinha appearing on behalf of the petitioners submits that on 24.10.2016 vide Annexure-31, direction was issued by the Director, Higher Education and the Registrar Veer Kunwar

Singh University to examine the appointment and absorption of employees validly appointed totaling 129, who were allegedly appointed and regularized during the years 2011, 2012 and 2013.

Pursuant to the direction contained in Annexure-31 dated 21.10.2016, the University without conducting the enquiry passed order vide letter of the Registrar contained in memo No. 1700 dated 22nd / 23rd August, 2017 and vide order contained in Memo No. 1698 dated 22.8.2017, a committee was constituted to enquire into the matter and submit a report within a period of ten days but till date the University has not concluded the enquiry and as a result of their inconclusive enquiry the University has not determined whether appointment and absorption of the petitioners are legal and valid or not. Before determining validity of appointment and irregularly, they have been stopped from working.

Mr Verma learned counsel for the University submits that the University would conclude the enquiry as to the legality and validity of the appointment and absorption of the petitioners within a period of six weeks from today after

giving opportunity of hearing to the petitioners.

In case after enquiry appointment and regularization of the petitioners is found to be legal and valid, the petitioners should be allowed to work and paid the salary for the period they were restrained from working pursuant to the order dated 22nd /23rd August, 2017 as contained in memo No. 1700. Since the State Government has issued direction and as a follow up direction of the Director and the University has undertaken enquiry, the State Government is also required take step in the matter of final decision on the enquiry report if submitted by the University within a maximum period of two weeks from the date of receipt/production of such enquiry report and in any event after expiry of two months from today, if no decision is taken by the respondents, the petitioners would be entitled to payment of back wages and current salary until adverse order is passed by the University and the State after due enquiry.

Put up this case for admission after two months.”

6. The aforesaid order dated 28.02.2018 manifests that this Court has granted opportunity to the respondents to take appropriate decision in accordance with law, so far as payment of salary to these petitioners is concerned. On 23rd of August, 2018 the Court has noted the attitude of the respondents in seeking adjournments after adjournments. Thereafter the respondent-State came with a stand that the University may pay from its own resources.

7. During the pendency of these writ petitions the State Government constituted its own three-men Committee as indicated hereinabove and the Additional Chief Secretary cum Principal Secretary of the Education Department relying upon the report of the three-men Committee constituted by the State Government issued direction for the termination of all the appointments of 129 non-teaching employees. The report of the three-men Committee is enclosed as Annexure-A to the supplementary counter affidavit. The case of non-teaching employees of Maharaja college, Ara finds mention at Sl No. 1 to Sl. No. 56 which admits the appointment on the post of Lab Incharge and other posts in different Departments. It also refers to the advertisement in daily newspaper for the purpose of appointment. The case of non-teaching employees of M.V.

College, Buxar finds mention at Sl. No. 57 to 79. The appointment was made pursuant to advertisement in daily Search Light dated 4.12.1981. So far as S.N.College Rohtas is concerned the report mentions about the date of appointment and joining of the petitioners in the report there is mention that there is no evidence of advertisement. The same is the case of D.K.College, Dumraon names of non-teaching employees find mentioned at Sl. Nos. 96 to 102. In A.S. College, Bikramganj the report mentions that the appointments were made after advertisement in Aryavart, the names of employees of the college find mention at Sl. Nos. 103 to 110 and 115. In JLN, College, Dehri-on-sone there is reference of appointment in 1979-80 and in some of the cases there is reference of advertisement in Indian Nation like Sl. Nos 108, 109 and 111. So far as the J.L.N. college is concerned appointments of non-teaching college of college finds mention at Sl. Nos. 110 to 115. There report mentioned about the advertisement in Indian Nation. So far as J.J. College, Ara is concerned the non teaching employees the figures at Sl. Nos. 116 to 119. The report admits about the claim of the appointment. The report indicates that there was no advertisement. Similar is the case of Shankar College, Sasaram where the appointees were appointed initially on the post Lab Incharge but without

advertisement. Sl. Nos. 123 and 129 are the persons against whom the report mentions that no document was produced by the University before the Committee.

8. During the course of argument, Mr. Ashutosh Ranjan Pandey, learned AAG-15 highlighted the infirmities in the appointment and regularization of the petitioners. He submitted that in some of the cases appointments were made by the Principal of the Colleges and all these appointments were made without advertisement. No roster was followed. He submits that although the State has no direct role to play in the matter of regulating the affairs of the University but being the pay master the State has definite role in the matter of issuing direction to the University to act in accordance with the Act and statute. He submits that regularization is not mode of appointment and he placed reliance on the judgment of the Apex Court in the case of *Secretary, State of Karnataka & Ors. Vs. Umadei & Ors.* : (2006) 4 SCC 1 and the judgment of the Full Bench of this Court in the case of Ram Sevak Yadav reported in 2013. He has placed reliance on the report of the 3-men Committee and with reference to Sections 35 and 10(6) of the Bihar Universities Act. He submitted that the appointment of the petitioners are *void ab initio*. Therefore, there is no question of their regularization and

the action of the University in regularization of their services is against the law and per se nullity. The details of argument of Mr. Ashutosh Ranjan Pandey is as follows.

(i) Mr. Ashutosh Ranjan Pandey, learned counsel appearing on behalf of the State admits that the State has absolutely no jurisdiction to reopen the matter where regularization was done under the order of the writ court. Whether the State has any jurisdiction to dictate the University how the University will function and how the University will take decision.

(ii) Mr. Ashutosh Ranjan Pandey admits that the State has no jurisdiction to interfere in the autonomy of the University. It can only issue guideline so that the University may act in accordance with the act and statute framed thereunder as the State Government is pay master and it provides fund to the University as such it has every right to issue guideline to the University to act within the four-corners of the Act and Statute.

(iii) Mr. Ashutosh Ranjan Pandey submits that in the matter of regularization the University is required to follow the roster to that effect the State has power to interfere in the affairs of the University when there is breach of roster in the matter of regularization.

(iv) Mr. Ashutosh Ranjan Pandey further submits that State has invited the attention of the University to the letter no. 1820 dated 17.11.1998 which was issued by the State Government in terms of judgment of the Full Bench in the case of Braj Kishore Singh & Ors. Vs. The State of Bihar and Ors. reported in (1997)1 PLJR 509.

(v) Mr. Pandey submits that since requisite information was not received from the University, therefore, the State has proceeded that appointments and regularization is contrary to law and illegal. He clarified that earlier on the direction of the State enquiry was made at the level of the University and thereafter State constituted its own team to verify the fact and requisite information was not received by the committee constituted by the State and as such they have drawn inference that entire action of the University in relation to regularization is illegal and without jurisdiction.

(vi) In the aforesaid backdrop, the State Government issued letter to terminate the service of 129 non teaching employees regularized by the Veer Kunwar Singh University. He further submits that the State Government has issued direction for vigilance enquiry into the matter of regularization.

(vii) Mr. Pandey submits that on the basis of report of the three men committee, Additional Chief Secretary cum Principal Secretary issued direction for termination of the service of 129 non teaching employees of Veer Kunwar Singh University. He finally submitted that appointment was contrary to Act and statute and regularization in teeth of letter no. 1820 dated 17.11.1998 and therefore the State took decision to terminate service of the 129 employees of Veer Kunwar Singh University whose appointment was made against non sanctioned post.

(viii) Mr. Pandey submits that 129 persons were appointed against non sanctioned post. They were appointed by the Principal of the College having no such jurisdiction.

(ix) Mr. Pandey submits that most of the persons have been appointed without advertisement and selection process and the appointment was neither approved by the University nor by the State Government in terms of Section 35 of the Bihar State University Act.

(x) Mr. Pandey submitted that no reservation policy was followed in the matter of appointment and there is no material collected during the enquiry that these 129 persons were

regularly working and regularization was done in teeth of letter no. 1820 dated 17.11.1998.

(xi) Learned counsel appearing on behalf of the State submits that in terms of judgment of the Full Bench in Ram Sevak Yadav the State came to the conclusion that the appointment are illegal and therefore, action of the University in regularizing their service are illegal and without jurisdiction. He submits that illegality cannot be perpetuated which was the basis to regularize the service of the 129 non teaching employees.

9. Learned counsels appearing on behalf of the petitioners submits that earlier regularization of 129 persons were made on the basis of requirement of non teaching staff in the different constituent unit of the University and during the course of scrutiny the University has rejected the claim of regularization of those whose claim was found to be not based on materials as to validity of the appointment on staffing pattern and continuity of the service for the purpose of regularization.

10. Mr. P.K. Verma submits that University in the process of scrutiny constituted three man committee and the three man committee after scrutiny declared that the appointments were made against staffing pattern. He submits that after order of the Court payments have been made but no

arrears was paid. The University has not made payment with effect from the initial date of appointment as there is no adequate evidence to accept the claim for payment of arrears.

11. Mr. Verma, learned senior counsel for the University submits that the decision to terminate 129 persons have been taken by the University on the direction of the State Government vide letter no. 468 dated 15.7.2019 and not on its own decision.

12. Mr. Verma admits that the report of three-man committee of the University on scrutiny of case of 129 non teaching employee was considered by the Vice-Chancellor of the University in the process of regularization. He submitted that three man committee submitted report in favour of the 129 employees which was accepted by the University.

13. In addition to 129 non teaching employees claim of a large number of non teaching employees for regularization was also considered and after due scrutiny their case was rejected by the University as the University on verification did not find any substance in their claim so far as regularization is concerned.

14. Mr. P.K. Verma, learned senior counsel appearing on behalf of Veer Kunwar Singh University has clarified that

before taking decision to regularize the services of 129 non-teaching employees, the University has constituted its own screening committee and after due scrutiny they have considered only 129 candidates fit for grant of benefit of regularization. While taking such decision factual enquiry as to their initial appointment, their continuity in service, availability of posts under the staffing pattern and the direction of the Writ Court were considered and the University has rejected large number of cases for regularization after scrutiny as the University on scrutiny was not satisfied about the genuineness of their claim. However, he admits that after report of the 3-men Committee the University has taken decision to regularize the services and on being faced with the situation whether the decision satisfies the requirement of Section 10(6) of the Act or not. Mr. Verma fairly submitted that the decision was taken by the University including the Vice-Chancellor.

15. Apart from the oral submission the petitioners have filed written notes of argument. The petitioners have highlighted in their written notes of arguments the issue of staffing pattern, the judgment of the Full Bench in Braj Kishore Singh, the scrutiny as to genuineness of the claim of the petitioners by the University and they submitted that the entire

action of termination of the petitioners by the respondent-University is at the dictate of the State is illegal, arbitrary and without jurisdiction. They have also highlighted that in several cases there are direction of writ Court and therefore, in view of those directions the cases of the petitioners were considered by the University and thereafter they have been regularized. They submitted that in the process of regularization there is no question of adherence to the roster or reservation policy which is sheet anchor of the State in finding fault with the appointment/regularization.

16. The State of Bihar has also filed notes of written arguments in which it has focused violation of Sections 10(6) and 35 of the Act. The letter No. 1820 dated 17.11.1998 of the State Government whereby detail was sought from the University with regard to regularization made after 21.8.2015. The written notes of arguments highlights the failure on the part of the Vice Chancellor of the University in taking action in respect of the regularization, passed by the predecessor Vice Chancellor of the University and the document by which the Principal Secretary of the Education Department directed Vigilance enquiry into the matter and the direction to the University to annul the decision of the regularization. For ready

reference the entire written notes of arguments filed on behalf of the State is quoted below:

WRITTEN ARGUMENT ON BEHALF OF STATE OF BIHAR:

1. That section 10(6) of the Bihar State Universities Act, 1976 provides that :

“(6). The Vice-Chancellor shall subject to the provisions of this Act, the statutes and the ordinances have power to make appointment to posts within the sanctioned grades and scales of pay and within the sanctioned strength of the ministerial staff and the other servants of the university not being teachers and

officers of the university and have control and full disciplinary powers over such staff and servants”.

“35. No post for appointment shall be created without the prior sanction of the state government.-

Notwithstanding anything contained in this Act, no University or any Colleges affiliated to such a university, except such college

(a) as is established, maintained or governed by the state government : or

(i) After the commencement of this Act no teaching or non-teaching post involving financial liabilities shall be created without the prior approval of the state government.

3. Any appointment or promotion made contrary to the provisions of this Act, or Statutes, Rules or Regulations made there under or made in irregular or unauthorized manner shall be invalid and shall be terminated at any time. The expenditure incurred by the

university against such appointment or promotion shall be realized from the officer making such appointment or promotion as public demand under the provisions of the Public Demands Recovery Act, 1914.

4. That the Human Resources Development Department / Education Department, Government of Bihar by its circular no. 989 dated 10.05.1991 issued certain significant instruction in respect of the “Staffing Pattern” which is to be followed by the universities and other Higher Educational Institution in the state Bihar. According to said circular, only those employees were entitled to be regularized who were appointed up to 10.05.1986 against the sanctioned vacant post by the competent authority after following the dues process of law. It is important to mention here that the said circular was withdrawn by the state government by letter dated 28.11.1995.

The Photocopy of the circular dated 10.05.1991 and letter dated 28.11.1995 are being annexed herewith and marked as **Annexure-A & B respectively.**

5. That in view of the judgement passed by this Hon’ble Court in Braj Kishore Singh’s case reported in 1997 (1) PLJR 509, the State Government vide its letter no. 1820 dated 17.11.1998 directed the universities to consider the regularization of the services under the staffing pattern of those employees only who fulfill the following criteria :-

11. That the Registrar of the University vide its letter dated 07.01.2016 informed the department that the employees were regularized by the then Vice Chancellors on the recommendation of enquiry committee and the university is not competent to take action against the vice Chancellor. The State government is the competent authority to take appropriate decision in this regard.

The photocopy of the letter dated 07.01.2016 is being annexed herewith and marked as **Annexure-G.**

12. That as stated above, large numbers of employees have been regularized by the university by authorized and illegal manner which is evident from the letter of the university dated 02.12.2015 and 07.01.2016 as well as minutes of meeting dated 27.03.2015.

That it is stated and submitted that Education Department under the aforesaid compelling circumstances vide letter no. 327 dated 30.02.2016 has requested the Principal Secretary, Vigilance Department, Government of Bihar to enquire into the matter regarding illegal appointment / regularization made by the Veer Kunwar Singh University, Ara. 15. That during the pendency of the writ application, the university has constituted a committee and after being enquired into the matter has sent a report dated 23.02.2018 to the Education Department vide letter no.606 dated 09.03.2018. The said report was sent by the university without any forwarding letter. Subsequently forwarding letter was sent along with, enquiry report.

The photo stat copy of the letter no.606 dated 09.03.2018 along with report are being annexed herewith and are marked as **Annexure -K.**

16. That thereafter the state government repeatedly requested the university to provide documents relied upon in enquiry report of the university, but he university has failed to provide the same. Thereafter, in given condition, Education Department constituted three men enquiry committee vide its letter no. 1554 dated 29.08.2018 to enquire into the documents in the university relating to service of 129 non teaching employees and the documents relied upon in report of the university and accordingly submit report.

17. That in this connection, it is stated here that a said committee camped at the university from 30.08.2018 to 07.09.2018 and after detailed scrutiny of

the individual 129 employees, submitted its report on 18.09.2018.

The photo stat copy of the report dated 18.09.2018 is being annexed herewith and is marked as **Annexure-L**.

18. That at this stage, it is important to mention here that entire facts including the report submitted by the three men committee as aforesaid, has been considered by the Additional Chief Secretary of Education Department, government of Bihar and accordingly an office order has been passed as contained in memo no. 1386 dated 29.06.2019 whereby the appointment and regularization of 129 non teaching employees of the university has been found illegal and accordingly. The university has been directed to remove non-teaching employees immediately, if they have not already been removed in compliance of earlier direction of the state government. The university has been further directed to recover the amount paid to the 129 non-teaching employees as such from the officers / employees involved in making illegal appointment / regularization.

The photo stat copy of the letter no. 1386 dated 29.06.2019 is being annexed herewith and is marked as **Annexure-M**.

19. That at this stage, it is important to mention here that from aforesaid report it is evident that the 129 non-teaching employees were appointed against unsanctioned post. They were appointed by the principal of the college. The principal of the college is not authority to appoint u/s 10(6) of the Bihar State universities Act. Most of such employees were appointed without any advertisement and recommendation of the selection committee. Their appointment was neither approved by the university nor by the state government u/s 35(2) of the Bihar State University Act. Appointments were made without following the reservation policy and roster points. During the course of enquiry no evidence was found regarding continuity of their services.

20. that it is further important it is mention here that the services of 129 employees was regularized under the staffing pattern in violation of the letter of the state government bearing letter no.1820 dated 17.11.1998.

21. That the matter of regularization of daily wage / casual worker has been decided by the Full Bench of this Hon'ble Court in a case reported in 2013 (1) PLJR no. 964 (Ram Sewak Yadav Vs. The State of Bihar). In para 43 of the said judgement this Hon'ble Court has held as follows :-

(A) Uma Devi (supra) prohibits regularization of daily wages, casual, ad-hoc and temporary appointments, the period of service being irrelevant ;

(B) An illegal appointment void abinitio made contrary to the mandate of Article 14 without open competent selection cannot be regularized under any circumstance.

(C) Irregular appointment can be regularized if the appointment was made by an authority competent to do so, it was made on a vacant sanctioned post, in accordance with Article 14 of the constitution with equal opportunity for participation to others eligible by competitive selection and the candidate possessed the eligibility qualifications for a regular appointment to the post.

(D) The appointment must not have been individual favour doled out to the appointee alone and the person must have continued in service for over ten years without intervention of any court order.

22. That in view of the facts stated above, the writ application is fit to be dismissed.

17. From the discussions made hereinabove, the Court finds that the main contention of the State is with regard to non-adherence to the statutory provisions of Sections 10(6) and 35 of the Act, non adherence to the roster and reservation policy in the process of regularization, non-publication of advertisement in some of the cases in the newspaper.

18. Mr. Ashutosh Ranjan Pandey has heavily relied upon judgment of the apex court in Uma Devi case to support

the action of the respondent State in directing the University to dispense with the service of the petitioners and the and the judgment of **Ramsevak Yadav Vs. the Stae of Bihar reported in 2013 (1) PLJR 962** but while making submission the State has forgotten the principle laid down by the Apex Court in the case of the **State of Bihar Vs. Sunny Prakash: (2013) 3 SCC 559** where the Apex Court has occasion to consider the effect of agreement between the State of Bihar and the Federation of the non-teaching employees. The objection as to non-statutory form of the agreement and other formalities for reducing the agreement in writing was rejected by the Apex Court and the Apex Court approved the judgment of the Patna High Court in the case of Sunny Prakash (Supra) and directed the respondent-State to honour their own agreement reached in between the State of Bihar and the petitioners' Federation. In the instant case the judgment of the Apex Court in the case of Sunny Prakash (Supra) applies with full rigour as the concept of staffing pattern originated on account of agreement between the State and the Federation of the non-teaching employees as indicated hereinabove. The Principle as to deemed sanction on the basis of staffing pattern was laid down by the Full Bench of this Court in the case of Braj Kishore Singh (supra). The emphasis on the

judgment in the case of Uma Devi (supra) by the State in order to support their action is misconceived inasmuch as subsequent judgment of the Apex Court in the case of ***Amarkant Rai vs State of Bihar & Ors.*** reported in (2015) 8 SCC 265 which has considered the judgment of the Apex Court in the case of Uma Devi (Supra) was totally ignored. The Apex Court noticed the exploitation of daily wager Amarkant Rai for 29 years and finally directed reinstatement/ regularization of Amarkant Rai who was appointed on daily wage basis on the post of Night Guard. The case of these petitioners stand on much better footing as these petitioners were engaged not on daily wage basis, they were appointed in exigency of situation on regular basis to cater the increased work load and they were allowed to work for nearly three decades or even more and they have been regularized after report of the three-men Committee of the University. Recently, the Division Bench of this Court has considered somewhat similar issue in the case of Jai Prakash University, Chhapra Vs. State of Bihar and others: where the Division Bench has noticed similar fact situation of termination. The Division Bench has considered the judgment of the Single Judge in Abdul Salam CWJC No. 2002/2010 decided on 21.9.2010 which was affirmed by the Division Bench in LPA

No. 981 of dated 11th July, 2007 and the SLP against the Division Bench was dismissed on 27.2.2009 in that case also appointment was notified by the Principal of the College as discussed hereinabove in most of the cases of the petitioners the post was notified in the daily news papers by the Principal of the college. The appointment was subsequently followed by the office order of the Vice Chancellor. In the present case also the requirement of appointment by the Vice-Chancellor under Section 10(6) of the Act stands satisfied by the decision of the University which has approval by the Vice Chancellor. The Division Bench has considered the judgment of the Apex Court in Uma Devi's case (Supra). The judgment of the Full Bench in **Ram Sevak Yadav's case: 2013 (1) PLJR, Veer Kunwar Singh University Vs. (2009) 17 SCC 184, Nald Lal Bhagat Vs. The State of Bihar and others** a Division Bench judgment dated 25th July, 2013. The Court has noted the requirement of Lab Assistant and the background in which the appointment was made during ban of appointment from 18.9.1979. The Court has noted the submission of the appellant that in the case of regularization the judgment of the Braj Kishore Singh, Uma Devi, Ram Sevak Yadav are relevant but the benefit of regularization can be extended only if the appointment was

regular and against the sanctioned post. The issue of sanctioned post stands concluded by the judgment of the Full Bench in Braj Kishore Singh. The Full Bench has held out that the post falling in the staffing pattern are deemed sanctioned post and if there is deemed sanctioned post, the University has every authority to take appropriate decision with regard to appointment. The Court is of the view that the power under Section 10(6) can be exercised by the Vice Chancellor of the University at the stage of initial appointment or at the later stage when the University considers the case under the deemed sanctioned post as has been done in the present case. The Court finds that the requirement of Section 10(6) of the Bihar State Universities Act stands satisfied in the present case. So far as the objection of Section 35 is concerned, in view of the law laid down by the Full Bench in Braj Kishore Singh's case followed by letter No. 1820 dated 17.11.98, the Court has no option but to hold that the appointment of the petitioners continued for three decades cannot be faulted as illegal and without jurisdiction. In addition thereto, the decision of the Apex Court in Amarkant Rai is indicative of the fact that the petitioners have worked for three decades irrespective of the fact whether the appointment is daily wage was fit case for regularization. It is on record that

Additional Chief Secretary cum Principal Secretary has directed the University to dispense with the services of 129 non-teaching employees.

19. Mr. Verma during his argument has admitted this position that University has acted on the direction of the State Government and their affidavit on the record is also indicative of the fact that it is the decision of the State Government that was honoured by the University in the matter of termination of the services of the petitioners. Taking decision on the dictates of the State Government is illegal exercise of power. The Apex Court has occasion to decide such issue in the case *Purtabpur Sugar Mill Vs. Cane Commissioner*: AIR 1970 SC 1896. In view of the judicial pronouncement of the Apex Court in *Cane Commissioner's* case the action of the University in dispensing with the services of the petitioner at the dictate of the State Government is unsustainable.

20. It is to be noted here that the University is free in the matter of appointment of non-teaching employees against the sanctioned post and Section 35 of the Act has absolutely no application, where the posts are sanctioned, the same reasoning applies in the case of deemed sanction post i.e. staffing pattern in view of the judgment of the Full Bench.

21. In the result, all these writ petitions succeed. The impugned order dated 29.6.2019 contained in memo no. 1386 dated 29.6.2019 issued by the Additional Chief Secretary and the follow up decisions of the University contained in memo no. 1909 dated 15.7.2019 whereby the Principal of the concerned Colleges were directed to dispense with the services of the petitioners and the follow up decision of the Principals of the Colleges are hereby quashed.

22. The petitioners are directed to be reinstated.

23. With the aforesaid, all the writ petitions stand allowed and disposed of.
