CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

2. 03-06-2019

The grievance of the petitioner in the present case is with respect to the declaration of result of the petitioner treating him in the category of candidates belonging to the Other Backward Class (OBC). It is stated that pursuant to the Advertisement No. 01/2017 advertised for the post of Constable in the year 2017 the petitioner had applied for selection as a Constable as OBC candidate. He, later on, participated in the physical examination test and after having passed all the tests when he was informed that his candidature has been placed in the pending list as in the application form name of the caste category had been wrongly filled up, he filed an affidavit in this regard stating that it was a bona fide mistake of typing the word

‘EBC’ which has been typed in place of ‘OBC’. In this regard he has also represented vide his representation dated 05.07.2018 before respondent no. 2, but till date nothing has been done.

On the other hand, learned counsel representing the Central Selection Board (respondent no. 3) submits that the petitioner has not placed on record the copy of the advertisement which clearly mentioned that any error committed in course of filling of the application form would lead to rejection of the application. It is submitted that all the appointment pursuant to the Advertisement No. 01/2017 has already been made. It is further submitted that in similar circumstance the learned coordinate Bench as well as Hon’ble Division Bench of this court have refused to interfere. The case is reported in **2017(1) PLJR 599** (Central Selection Board of Constable & Ors. Vs. Raj Kumar & Ors.).

Having heard learned counsel for the parties and on perusal of the records, this court finds that it is an admitted case of the petitioner that he had committed mistake in submission of his application form by giving a wrong description of the category of candidate which he belonged to. This court also finds that all the appointments pursuant to the aforesaid advertisement has already been made and as submitted in

similar circumstance earlier the learned coordinate Bench has refused to interfere in such matters. This being the position, there is no merit in the writ application. It is dismissed.
