ORAL ORDER

- 2 07-05-2019 This application has been preferred for setting aside the order dated 15.01.2015 passed by learned Sessions Judge, Patna in Cr. Misc. (Transfer) Case No. 1168/2014 by which the learned Sessions Judge, Patna was pleased to recall the case from the court of Sri Brajesh Kumar, J.M. 1st Class, Barh and transferred the same to the court of Sri Satya Priya Anand, J.M. 1st Class, Patna for trial and disposal of the case.

It appears that the transfer petition was filed by the informant of Mokama P.S. Case no. 39/2009 on the ground that he had threat to his life at the end of the accused persons and

that he had already left Barh and is presently residing at Patna.

In this application petitioners are unable to demonstrate that the grounds set-forth by the informant for transfer of the records were not justified. Informant is said to have shifted to Patna because of threat and in such circumstances transfer of the records by the learned Sessions Judge, Patna cannot be said to be a perverse decision so as to seek interference of this court.

This application has no merit. It is dismissed accordingly.
