ORAL ORDER

2 09-05-2019 Supplementary affidavit is filed on behalf of the
petitioners. Let it be kept on record.

Heard counsel for the petitioners and counsel for the
State.

It is submitted by the petitioners' counsel that for
demarcation of the property between the complainant and accused
persons, proceeding arose. Matters are based on family dispute.
Complaint is daughter-in-law of brother of petitioner no.1.

Dispute regarding demolition of wall and demarcation of
the property between family members gave rise to various criminal
proceedings which have been closed on the basis of compromise
between the parties.

In this case also, supplementary affidavit has been filed wherein compromise petition which has been filed in the court below has been annexed as annexure 7.

Counsel for opposite party no.2 is also present in court and supports the contention of petitioners' counsel.

In view of said compromise and in view of background in which criminal proceeding arose, this court would consider it in the interest of justice to allow the parties to live in peace and that compromise which has been annexed to the supplementary affidavit should result in end of criminal proceeding arising out of Complaint Case no. CI-2841/2013 in which cognizance has been taken under sections 323, 379 and 354 of the IPC.

In view of said facts and circumstances and having regard to the compromise between the parties, entire criminal proceeding arising out of Complaint Case no. CI-2841/2013 is hereby quashed.

The application is allowed.
