**CORAM: HONOURABLE MR. JUSTICE VINOD KUMAR SINHA**  
**ORAL ORDER**

3      01-05-2019                      This is an application for grant of anticipatory bail in  
connection with Basantpur P.S. Case No. 189 of 2014,  
disclosing offences under Sections 326, 307/34 and 302 of the  
Indian Penal code.

Allegation as per F.I.R. is that the father-in-law and  
other accused persons had kill the deceased by sprinkling  
kerosene oil on her and it is alleged that the petitioner and other  
accused persons have also hand in that.

Submission of learned counsel for the petitioner is  
that he has falsely been implicated in this case and he has  
nothing to do with the family affairs of the deceased and no  
cogent materials appeared during the course of investigation  
against this petitioner.

Heard learned A.P.P. also, who drawn my attention towards paras 79 and 80 of the case diary, in which the statement of sons of the deceased has been recorded under Section 164 Cr.P.C. that disclosed that the hands of the petitioner also and as such, he opposed the prayer for anticipatory bail of the petitioner.

Having heard both sides, in view of the statement of sons of the deceased, I am not inclined to grant anticipatory bail to the petitioner, rather he should surrender and make prayer for regular bail, which will be considered on its own merit, without being prejudice by order of this Court.

Accordingly, this application is dismissed.
