CORAM: HONOURABLE MR. JUSTICE MADHURESH PRASAD
ORAL ORDER

2 21-11-2019 Petitioner has filed the writ petition claiming relief

that respondents-authorities be directed to pay /apportion half of

retiral benefit payable to respondent no.5 as he has abandoned

the petitioner (wife) and is living with another lady.

Counsel for the State points out that entitlement of the
petitioner is determined under order dated 16.09.2008 passed in
Cr. Revision no. 900 of 2007 (Annexure 2 of writ petition).

Petitioner's entitlement stands decided from bare
perusal of said order (Annexure 2 of writ petition). No case is
made out for issuing direction in respect of apportionment of
half of retiral dues payable to respondent no.5.

Petitioner however, would be at liberty to take steps in
accordance with law.

Writ petition is dismissed.
