CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN SINGH

ORAL ORDER

3 29-03-2019 Petitioner seeks a direction to the respondents to remove the encroachment, said to have been made by the private respondents on part of a Government land, which, according to the petitioner, has been settled in her favour in 2004-05. It has also been stated in paragraph 5 that the private respondent has encroached upon the part of the land, which is used by her for passage.

The petitioner may be better advised to approach the competent authority for redressal of her grievance in accordance with law under appropriate provision, as this court cannot

adjudicate upon a dispute between two private persons touching possession and title in respect of the land in question, in a proceeding under Article 226 of the Constitution of India.

This application is disposed of with the observation and liberty noted above.

(Chakradhari Sharan Singh, J)
