ORAL ORDER

2 26-03-2019 Heard learned counsel for petitioner and learned
Additional Public Prosecutor for the State.

This application for anticipatory bail arises out of
Kochadhaman P.S. Case No. 178 of 2018, disclosing offences
punishable under Sections 414/34 of the Indian Penal Code.

From a garage maintained and managed by the
petitioner, the police are said to have recovered three
motorcycles, including one Apache motorcycle having
Registration No. BR 38 M/3007 stolen in June, 2018.

Learned counsel, appearing on behalf of the
petitioner, has submitted that the said motorcycle was brought to
garage by a customer for the purpose of repair and the petitioner
did not have any knowledge as to whether the said motorcycle

was stolen one or not. He has also argued that since the petitioner has no criminal antecedent, he deserves the privilege of anticipatory bail.

Since the petitioner's custodial interrogation by the police may be needed to examine whether the petitioner is involved in the said crime, I am not inclined to grant the petitioner privilege of anticipatory bail.

This application is, accordingly, dismissed.

The petitioner is directed to surrender before the Court below within a period of four weeks from today and seek regular bail, if so advised. If he does so, his application for regular bail shall be considered on its own merit without being prejudiced by rejection of the present application for grant of anticipatory bail by this Court.
