ORAL ORDER

2 18-04-2019 Heard learned counsel for the parties.

This application for anticipatory bail arises out of Siwan Town Police Station Case No. 603 of 2018 for the offence under Sections 420/467/468/471/406/34 of the Indian Penal Code.

On hearing learned Counsel for the petitioners, it is almost admitted fact that when the sale deed was executed after taking consideration amount from the informant, the accused persons were knowing that they did not have the title over the

suit property. After execution of the sale deed, the petitioners are said to have filed title suit for declaration of their title over the property. It is evident that the petitioners knew that they did not have the title and despite that fact they have executed the sale deed after receiving the consideration amount.

In my view, this is not a fit case for grant of anticipatory bail.

This application is, accordingly, rejected.

The petitioners are directed to surrender before the Court below within a period of four weeks from today and seek regular bail, if so advised. If they do so, their application for regular bail shall be considered by the learned Court below on their own merit without being prejudiced by rejection of present application for grant of anticipatory bail.
