ORAL ORDER

2 28-05-2019 Matter has been listed today in the summer vacations
as learned counsel for the petitioner was desirous for
consideration of his case during vacation.

The slip for listing was filed pursuant to notice dated
08th May, 2019, published prior to the vacation.

The matter is, accordingly, taken up for consideration
as both parties are present and willing to assist the court for
disposal of the matter.

Heard counsel for the petitioner and counsel for the
respondents-State.

Writ petition was filed claiming the relief of
publication of the petitioner's result in the process of

appointment of Auxilary Nurse Midwifery.

Counsel for the petitioner submits that undisputed and admitted position that emerges from record is that date of birth of the petitioner was 05.01.1993 and on 01.08.2013 petitioner was 20 years and 07 months old which is below required age of 21 years.

It is in this background that petitioner could not be selected as A.N.M.

Since admitted position is that the petitioner is lacking in essential qualification in terms of requisite age 21 years, petitioner has no legitimate claim or right for the appointment in question.

Writ petition is devoid of merit and dismissed.
