CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN SINGH

ORAL ORDER

2 18-04-2019 The petitioners claim that their land has been acquired for construction of a road by National Highway Authority of India. They have grievance against determination of amount of compensation against the acquisition. According to them, whereas the land is commercial in nature, their compensation amount has been determined treating the land to be agricultural. Other grievances are also there, in respect of the determination of the amount of compensation.

In my opinion, the petitioners have a remedy under Section 3-G (5) of the National Highways Act, 1956 (in short

‘the Act’), which the petitioners may avail.

This application is disposed of with the aforesaid observation. If the petitioners raise any claim under Section 3-G (5) of the Act, it goes without saying that their claim shall be considered and disposed of expeditiously.

(Chakradhari Sharan Singh, J)
