The informant has alleged that he entered into agreement with the petitioner, who was Director of ATA Electrical, which deals in business of manufacturing electric apparatus, for opening franchisee with condition to invest the amount of rupees six lac. On assurance of petitioner, the informant invested the money, but later on petitioner did not send articles. It is further alleged that after request he sent

duplicate article worth rupees fifty thousand. On complain, the petitioner told to dispose off the duplicate articles in market. The informant constructed Show Room and spent rupees three lac. During opening of Show Room, informant complained the petitioner that the articles, which were shown in Delhi, are not there, then the petitioner told that by mistake it has come. The informant learnt that petitioner has committed cheating with other persons also as mentioned in written report.

In this manner, from the written report, it appears that dispute is mainly business dispute.
