**CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN
SINGH**

ORAL ORDER

2 19-04-2019 The land, subject matter of present proceeding, was

acquired in 1978, when manifestly the petitioner was not even

born. He claims that no compensation amount was paid to any

of his family members against the said acquisition. The

petitioner started corresponding with the authorities seeking

information in 2019.

After more than 40 years of acquisition, this Court is

not inclined to go into the question whether the petitioner is

entitled for any amount of compensation or not. Delay in

approaching this Court has also not all been explained

satisfactorily.

However, the petitioner shall be at liberty to approach the authorities and, if he does so, the authorities may examine the petitioner's claim as to whether the amount of compensation was paid or not.

This writ application is disposed of.
