ORAL ORDER

5 27-09-2019 Heard learned counsel for the parties.

The petitioner no.1. is apprehending her arrest in connection with Ballia P.S. Case No.349 of 2018 registered for offences punishable under Sections 302, 201/34 of the Indian Penal Code.

As per the FIR, the deceased was called by petitioner no.1 i.e. his wife in her *Maike* and thereafter the informant received an information that his son is admitted in the hospital and he went there and found the dead-body of his son. It is further alleged that the deceased has no good relationship with his wife and her family members.

Submission of the learned counsel for the petitioners is that she is wife of the deceased and falsely implicated in this

case only on the suspicion .

On the other hand the learned counsel for the O.P.no.2 has opposed the prayer for bail on the ground that there are injuries over the person of the deceased and the deceased died at his I.

Heard learned A.P.P. also.

Having heard both sides and in view of the facts and circumstances, as stated above, I am not inclined to grant privilege of anticipatory bail to the petitioner no.1, however, she is directed to surrender before the learned court below and make prayer for regular bail, which will be considered by the learned court below on its own merit without being prejudiced by the order of this Court.

With the aforesaid direction, this application is dismissed.
