ORAL ORDER

12 16-05-2019 When the Court proceeded to hear the matter, Mr.

Kundan Kumar, learned counsel for the petitioners, though

addressed the Court for sometime, but then sought adjournment

on the ground that Mr. Ranjeet Kumar would assist the Court.

The Court finds the same to be unjustified.

2. Learned APP for the State is present.

3. The Court would note that on 08.05.2019 and
09.05.2019 also, on prayer made by learned counsel for the

petitioners, the matter was adjourned and in fact in order dated 08.05.2019, it was recorded that the matter was being adjourned by way of last indulgence. Despite that again adjournment has been granted.

4. Thus, it is clear that the petitioners are repeatedly taking time in the present case, despite there being an order of stay since 23.11.2017, which the Court would not permit. Further, from such conduct, it is apparent that the petitioners are not serious in final adjudication.

5. In the aforesaid background, the application stands dismissed.
