ORAL ORDER

2 03-05-2019

Heard learned counsel for the parties.

This application for anticipatory bail arises out of
Teghra P.S. Case No. 250 of 2015 for the offence under Sections
392 and 395 of the Indian Penal Code.

I am not inclined to allow the privilege of anticipatory
bail to the petitioner for the reason that the First Information
Report was registered in the year 2015. Though the petitioner
was not named in the First Information Report, his name
transpired in course of investigation, which makes him
apprehend his arrest. There is no explanation for delay of nearly
four years in filing this application. Manifestly, the petitioner
managed to evade his arrest and, thereby, thwart the process of
investigation.

Learned counsel appearing on behalf of the petitioner has attempt to convince this Court that there is no material against the petitioner except for the confessional statement of the co-accused made in course of investigation.

Considering the seriousness of the offence, I am not inclined to grant him the privilege of anticipatory bail, on the basis of the aforesaid submission. This application is accordingly rejected.

The petitioner is directed to surrender before the Court below within a period of four weeks from today and seek regular bail, if so advised. If he does so, his application for regular bail shall be considered by the learned Court below on its own merit without being prejudiced by rejection of present application for grant of anticipatory bail.
