ORAL ORDER

2 27-06-2019 Heard learned counsel for the parties.

This application for anticipatory bail arises out of
Dinara P.S. Case N0. 451 of 2018, disclosing offences under
Section 379 of the Indian Penal Code and Section 135 of the
Bihar Electricity Act.

The allegation against the petitioner is of
committing theft of electricity, causing loss of a sum of Rs.
5,22,331/-. It appears that earlier also an FIR was lodged
against the petitioner being Dinara P.S. Case No. 279 of
2018, making allegation of theft of electricity.

It is alleged in the First Information Report that
despite disconnection of the electricity supply, the
petitioner continued use of electricity.

Considering the nature of accusation and the fact

that the petitioner is consistently indulging in theft of electricity, I am not inclined to grant him privilege of anticipatory bail to the petitioner.

However, the petitioner is directed to surrender before the Court below within four weeks from today, if so advised. If he does so, his application for regular bail shall be considered on its own merit without being prejudiced by rejection of the present anticipatory bail application by this Court.
