The petitioner seeks bail in **Barahiya P.S. Case No. 273 of 2018**, instituted for the offence under Section(s) 307, 387/34 of Indian Penal Code and Section 27 of the Arms Act.

It is alleged in the written report that on the date of occurrence petitioner fired from pistol causing injury on the neck of the informant.

Counsel for the petitioner submits that Doctor has found injury to be simple in nature.

Case diary has been received.

The injury report is available in the case diary wherein the Doctor has found one lacerated wound with vertical margin of size ¼” diameter over right side of neck. Margin of

the wound was blackened. There was bleeding from the neck. The Doctor has found firearm injury. He has opined the injury to be simple in nature but, this Court after looking into nature of injury finds that firearm injury has been caused on vital part of the body of informant.

Therefore, this Court is not inclined to grant bail to the petitioner at this stage.
