**CORAM: HONOURABLE MR. JUSTICE SHIVAJI PANDEY
and
HONOURABLE MR. JUSTICE PARTHA SARTHY
COMMON ORAL JUDGMENT
(Per: HONOURABLE MR. JUSTICE SHIVAJI PANDEY)**

Date : 02-09-2019

Heard learned counsel appearing for the respective parties.

Identical issue relates to outbreak of Acute Encephalitis Syndrome virus was pending before the Hon'ble Supreme Court and the Hon'ble Supreme Court was monitoring the entire issue, examined closely the steps taken by the State of Bihar as well as the Central Government to provide facilities for treatment of the children affected by epidemic.

A detailed affidavit has been filed by the State of Bihar before this Court, pointing out the steps taken by the Union of India side by side the State of Bihar to combat the menace of the encephalitis disease. The Hon'ble Supreme Court after examining the steps of the Union of India and the State of Bihar satisfied with the same, recorded that it is no longer required to continue the monitoring of the issue.

In such view of the matter, this Court also does not feel any purpose to continue the matter for further discussions. However, it is expected that the Government of Bihar will

monitor the working of the Hospitals, ensure that essential drugs should remain available all the time with other proper infrastructural facilities, so that in case of any urgency, the Hospitals will be able to take proper steps for the treatment of ailing children.

One of the learned counsel for the petitioners has pointed out the story published in a newspaper that during the epidemic period, 52 doctors were found absent from the duty. It is a matter of concern, the State Government must look into the matter about the absence of the doctors in such a large number and take proper action against those persons, who were found absent without any reasonable cause.

With the aforesaid observations and directions, these writ petitions are disposed of.
