ORAL ORDER

2 08-08-2019 The petitioners seek quashing of the F.I.R bearing Chhatauni P.S. Case No. 155 of 2019 which has been instituted for the offences under Sections 406, 420, 467, 468, 341, 323, 379, 380, 384, 500, 504 of the Indian Penal Code and Section 138 of the Negotiable Instruments Act, 1881.

It has been submitted on behalf of the

petitioners that instead of preferring a complaint with respect to bouncing of cheque, F.I.R has been lodged. There is a business relationship between the parties and instead of settling the dispute, the F.I.R has been instituted.

These grounds may be stated before the investigating agency. The facts of the case do not make out any case for quashing of the F.I.R.

However, considering the fact that there is a counter version of the occurrence as well, the investigating agency is directed to conclude the investigation as early as possible preferably within a period of four months of the receipt/communication of such order to the investigating agency.

With the aforesaid observation, the petition stands disposed off.
