ORAL JUDGMENT

Heard parties.

This miscellaneous appeal under Section 23 of the Railway Claims Tribunal Act, 1987 has been filed against the part judgment and order dated 3.8.2015 passed in case no. OA 00204 / 2007 (Com. No.88/2007) passed by the learned member (Judicial) of the Railway Claims Tribunal, Patna Bench at Patna by which interest has been awarded from the date of registration of application and not from the date of filing of claim application.

Claimants had filed application for grant of compensation of rupees 4 lacs on account of death of deceased in an untoward incident and tribunal by its order dated 03.08.2015 had allowed the claim case of appellant, however,

interest was granted form the date of registration of claim case and not from filing of claim case.

It is now well settled preposition of law that interest on the compensation amount is granted from the date of filing of claim application till its payment.

Accordingly, the order passed by the tribunal is modified to the extent that 6 % interest on the compensation amount of rupees 4 lacs is payable from the date of filing of application till its payment.

The respondents to calculate the amount of interest and pay to the claimant within three months from the date of receipt/production of a copy of order passed by this Court.

This miscellaneous appeal is allowed.
