ORAL ORDER

4 04-12-2019 Heard learned counsel for the petitioner as well as
learned Additional Public Prosecutor.

Petitioner is the husband. Marriage has been solemnized about six years prior to the occurrence. There happens to be an allegation that 3-4 years after marriage the spouse led their marital life happily but, subsequently thereof, the petitioner began to demand a motorcycle and for that, deceased was being frequently tortured and in the aforesaid background, for the last one month she was residing at her place (*Mayaka*). On 26.09.2018 the petitioner called her on the pretext of withdrawal of money for construction of toilet. After arrival the deceased had informed at about 7.00 PM that again she is being physically manhandled. On 27.11.2018 he got an information regarding death of the deceased at the end of

Dharmu Ram, father of the petitioner. Whereupon, he came there. He has seen the mark over her neck and, her legs were tied with a blouse.

From the Postmortem report, paragraph 30 of the case diary it is evident that though the injury over neck has been found but that happens to be not the cause of death and so viscera has been preserved and with regard thereto, there happens to be no explanation at the end of the petitioner.

The prayer for bail is rejected.
