CORAM: HONOURABLE MR. JUSTICE VIKASH JAIN

ORAL ORDER

2 22-08-2019 Heard learned counsel for the petitioner and learned
APP for the State.

2. The petitioner apprehends his arrest for the offences
alleged under Sections 304(B), 34 of the Indian Penal Code
registered in connection with Basopatti P.S. Case No. 101 of 2019.

3. It is submitted that the petitioner has been falsely
implicated merely because he happens to be the father-in-law of
the deceased. It is submitted that the information about the
death, which was in fact a case of suicide, was given to the family
members of the deceased pursuant to which they came and
looted the household articles of the petitioner and for which an
F.I.R. was lodged in Basopatti P.S. Case No. 102 of 2019 on
29.05.2019 (Annexure-2). It is further submitted that the

petitioner was separate in mess and business from the husband of the deceased. The petitioner claims clean antecedents.

4. Learned APP opposes the petition inviting reference to the order of the learned Additional Sessions Judge, taking note of the submission that the inquest report shows that the tongue was protruded from the mouth which was suggestive of throttling. It is further submitted that death has occurred within about one year of marriage.

5. Having regard to the nature of accusations and the gravity of the offence alleged, this Court is not inclined to grant the privilege of anticipatory bail to the petitioner. The anticipatory bail petition stands dismissed.
