ORAL ORDER

3 26-02-2019 Following is the relief, which the petitioner is seeking:-

“(i) For direction to the Respondents to pay compensation against the acquired land for the purpose of national highway.

(ii) For direction to the Respondents to pay compensation in current market rate valuation against the acquired land.

(iii) For direction to the respondents to pay penal interest on the current valuation rate against the acquired land.”

Learned counsel for the petitioners is unaware as to under what provision of law the lands have been acquired. It is difficult for this Court to record any finding and grant any relief on the basis of inadequate pleading on record. Since I did not have opportunity to examine the correctness of the claim of the petitioners on merit, the petitioners shall be at liberty to approach the competent forum for redressal of their grievance(s), in accordance with law, if permissible.

This writ application is disposed of with the observation,
as above.
