CORAM: HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD
ORAL ORDER

2 22-04-2019 The prayer made by the petitioner in the present writ application cannot be granted by a writ Court. Petitioner is looking for a direction to the 'BIADA' to demolish a part of the boundary wall from the northern side of the District Industry Unit. It is the case of the petitioner that the District Industry Unit, had constructed the boundary wall in front of the industry unit of the petitioner due to which the road of the aforesaid unit has been closed. It further appears from the submission made in the writ application itself that the boundary wall was constructed some time in the year 2014-15.

The stand of 'BIADA' as disclosed in the counter affidavit would show that the 'BIADA' is not willing to demolish the boundary wall for passages to the petitioner due to security reason. In this regard certain communications have also been brought on record as Annexure 'R-2/B' and Annexure 'R-2/C'. Some other reasons have also been stated in the counter affidavit.

Taking note of the aforesaid controversies, this Court finds that the writ application is not an appropriate remedy. It is dismissed.
