CORAM: HONOURABLE MR. JUSTICE CHAKRADHARI SHARAN SINGH

ORAL ORDER

2 01-02-2019 Heard learned Counsel for the parties concerned.

The petitioner complains that over a piece of land, bearing, C.S. Khata No. 1042 and 299, C.S. Plot No. 3690 and 3691, ad-measuring 30.05 decimals, in Andhra Tharhi Block, in the district of Madhubani, has been used for the purpose of approach road to a bridge by the Bihar State Bridge Construction Corporation, without undertaking any land acquisition procedure, either under the old Act or under the new Act. The petitioner is said to have approached the District Magistrate, Madhubani and the Managing Director, Bihar State

Bridge Construction Corporation, raising the grievance which has been raised in the present writ application. Surprisingly, the petition does not disclose as to when the approach road was constructed over the petitioner’s land.

Be that as it may, in my view, the petitioner has a remedy by making an application before Public Grievance Redressal Officer under the Bihar Public Grievance Redressal Act, 2015, which he can avail.

This application is disposed of with the aforesaid observation.

(Chakradhari Sharan Singh, J.)
