ORAL JUDGMENT

Date : 04-01-2019

This writ petition has been filed by the petitioners for quashing the First Information Report of Chapra Town P.S. Case No. 170 of 2016 registered under Section 304 read with 34 of the Indian Penal Code.

2. At the outset, it has been brought to the notice of the court by the learned counsel for the State that investigation of the case has already been completed and the petitioners have sent up for trial whereafter on perusal of the materials available on record,

the jurisdictional Magistrate has already taken cognizance of the offence and committed the case to the court of Sessions for trial and presently the case is pending before the Sessions court.

3. In view of subsequent developments, which took place during pendency of the present writ petition as also in view of the allegations made in the FIR, which do attract ingredients of the offence punishable under Section 304 of the Indian Penal Code, I see no merit in this writ petition. It is dismissed, accordingly.
