CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR JHA
ORAL ORDER

2 18-09-2019 Heard both sides.

The petitioner apprehends his arrest in Mohiuddin
Nagar P.S. Case No.103 of 2019 registered under Sections 323,
341, 382, 504 and 34 of the Indian Penal Code.

It is alleged that when the informant was returning
from his shop with his brother, somebody was chasing the
informant from motorcycle. The motorcyclists intercepted the
informant and his brother and began to abuse. The accused
persons snatched chain and bag from possession of the
informant and his brother. The informant identified Gautam
Sahni and Chandan Kumar Sahni. On alarm, Chandan Kumar
Sahni was apprehended but Gautam Sahni, who had snatched
bag, managed to flee away.

Learned counsel for the petitioner submits that the petitioner has got enmity with the informant and that is why the petitioner has been named in the F.I.R. but nothing has been recovered from possession of the petitioner. The investigation is almost complete and there is no chance of tampering with the evidence or any chance of absconding, but it appears that the allegation itself shows that the petitioner Gautam Sahni intercepted the informant and his brother and fled away after snatching chain and bag from possession of the informant and his brother. There is nothing on record to show that the petitioner has got enmity with the informant.

Having considered the facts aforesaid, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
