CORAM: HONOURABLE MR. JUSTICE ANIL KUMAR UPADHYAY
ORAL ORDER

4 02-07-2019 Heard learned counsel for the petitioner and learned
counsel appearing on behalf of the respondents.

The petitioner has challenged the order of transfer of
respondent no. 9.

Learned senior counsel appearing on behalf of the
petitioner would submit that in the matter of transfer and posting
of respondent No. 9, the respondents have violated the Rules.

Learned senior counsel submits that transfer of respondent No. 9 is contrary to the Rules and regulations and contrary to teachers-students ratio and there was no need of posting of respondent No. 9. In this case the petitioner has not been transferred and as such he has no cause of action. It is for the authorities to take care of the student-teacher ratio and other allied issues and not for the petitioner to file writ petition.

However, the petitioner shall be at liberty to raise the issue of student-teacher ratio and other allied issues before the appropriate authorities who shall take appropriate decision in the larger interest of students and school.

With the aforesaid, the writ petition stands disposed of.
