ORAL ORDER

6 16-07-2019 This writ application has been filed, mainly for payment of amount of compensation against the acquisition of the land for the purpose of construction of a road.

There is no denying that the State-respondents have paid the amount of compensation, as per their calculation.

It is, however, the case of the petitioner that she does not have any information about the manner in which the amount of compensation has been determined.

This writ application is accordingly disposed of with only observation that let the calculation of the amount of

compensation be communicated to the petitioner by respondent
no.3 and 4 within a period of eight weeks from the date of
receipt/presentation of a copy of this order.
