ORAL ORDER

2 13-11-2019 Heard learned counsel for the parties.

2. The petitioner is son of a deceased employee of Bihar State Food and Civil Supplies Corporation, who is said to have died in harness while working as Assistant Account Officer at Nalanda District Office, on 25.02.2008. The petitioner is said to have applied for his appointment on compassionate ground. There has been delay of 11 years in approaching this Court by the petitioner for the relief which he is seeking.

3. Learned counsel for the petitioner has submitted

that there was a ban over appointments in the Corporation because of financial crunch which it was facing. The said ban has, however, now been lifted. He submits that because of the said ban and in view of the order of this court dated 25.03.2010, passed in CWJC No. 14644 of 2006, the petitioner was not pressing his claim for his appointment on compassionate ground.

4. Be that as it may, in the facts and circumstances of the case, this writ application is disposed of with an observation that let claim of the petitioner for his appointment on compassionate ground be considered on merits, if it is found that any such claim was made within reasonable period of time from the date of death of the deceased employee. It is made clear that I have not gone into the merit of the petitioner's claim and no observation made in the present order shall be treated to be an expression on the merit of the petitioner's claim for his appointment on compassionate ground.
